Note that Capacity Fee and Sewer Service Fee are subject to periodic adjustments

Developer may waive the 6 months construction period sewer service fee allowance in which case, the sewer service fee will be collected on the tax roll commencing at the first July 1 following the initial Capacity Fee payment. Such a waiver may only be done at the time of capacity fee purchase. Evidence of a construction period waiver will simply be the lack of payment for the pro-rated sewer service fee at the time of the capacity fee purchase.
